

DOMINICA BROWN DECO

GLOSSY FINISH

A collection Moroccan tile inspired by the irregularity of typical features of everyday life: the shadows of lines cast by the sun on a wall, a hedge made with the leaves of a plant, the vines that cover a wall, spatial soil that is created when rock is exposed to wind and rain, the appearance of gradually worn material, etc. They reconstructed these situations and expressions of everyday life, using straight lines on tile designed exclusively for harmony.
