

Talavera Mural Mision San Xavier

These products are artisanal and created by order, estimated time for processing and shipping is 3 weeks.

This handmade exclusive 24"x48" Talavera mural is a stunning representation of Mission San Xavier del Bac, an iconic Spanish Catholic mission located in Tucson, Arizona. Created in collaboration with award-winning illustrator Fatima Olea and a Talavera artisan from Puebla, Mexico, this piece beautifully blends Mexican folk art, history, and architectural heritage

Each of these murals are unique and none of them will have the same coloring. You can use them to accent kitchen back splashes, niches, fountains, and accent walls. We recommend you play with the colors and look at the talavera tiles we offer to complement these murals!
