

A Mexican Mural that depicts a story of the normalcy of the daily life. These 12" x 12" murals transport us back into a simpler era with its vibrant colors. Each of these murals are unique and none of them will have the same coloring. You can use them to accent kitchen back splashes, niches, fountains, and accent walls. We recommend you to play with the colors and look at the talavera tiles we offer to complement these murals!

## Lavandera Mural

12" x 12" x 0.375"

Composition: Talavera Mural
