

Yara Metal

METALLIC FINISH

METALLIC
finish collection

This modern concept tile with metallic finish makes any room more elegant and fashionable, it also makes an excellent background for decorations on a wall. Metallic tones are versatile enough to fit with any decor. Brighten up your room with a sleek, reflective surface with mirror-like elements that reflect light to form a modern style.

This tiles are made in Spain using premium porcelain, making them water and frost proof. Perfect for indoor and outdoor use in areas where temperatures drop below freezing point.
